..... Hidden Gem

Island hop over to Moloka'i, 8 miles across the Pailolo channel. Take the famous cliff-hugging mule ride along the Kalaupapa Trail which descends down to the peninsula. Now, it's called the Kalaupapa National Park which served as a leper's colony for more than a century. The priest who sacrificed his life to work here was canonized in 2009 and is now known as Saint Damien of Moloka'i.
